

## Music Technology Solutions for Educators

[musiced.presonus.com](http://musiced.presonus.com)

Technology integration is a requirement in schools. Music programs can benefit greatly by integrating music technology. PreSonus is committed to providing real solutions to music educators:

### Training and Support

- All PreSonus solutions are supported with free tutorials, lessons plans, and many courses and methods: [musiced.presonus.com/learning-center](http://musiced.presonus.com/learning-center)

### Students Benefit From Hearing Themselves

- Record performances, rehearsals, and assessments
- Share sound files through a shared folder for instant access
- FREE software: [studioone.presonus.com/free](http://studioone.presonus.com/free)
- AudioBox™ USB recording interfaces provide high-quality audio in a portable and durable design. Studio One Artist software is included! View all recording systems at: [musiced.presonus.com/music-technology/products](http://musiced.presonus.com/music-technology/products)
- Free training at: [musiced.presonus.com/learning-center/tutorials](http://musiced.presonus.com/learning-center/tutorials)

### You Can Offer a Music Technology Course

- Free tutorials and lesson plans at: [musiced.presonus.com/learning-center](http://musiced.presonus.com/learning-center)
- PreSonus provides the training, support, and products for all students to learn to create and compose music.

### Share Student Recordings and Fundraise

- Upload student performances to share music with families
- Fundraise by selling music and supplies or taking donations
- See a demo at: [www.nimbitmusic.com/presonusschooldemo](http://www.nimbitmusic.com/presonusschooldemo)

### Advocate for Technology

- Technology integration supports the Common Core, National Education Technology Standards, and 21<sup>st</sup> Century Skills.
- National standards and skills relevant to music technology are available at: [musiced.presonus.com/resources/national-standards-and-skills](http://musiced.presonus.com/resources/national-standards-and-skills)
